PIZZA BASES

All of our regular pizza bases contain **GLUTEN**.

Our **gluten-free base** contains no allergens. However, due to our small kitchen, its very floury environment and having only one wood-fired oven, we cannot guarantee zero cross-contamination.

INFORMATION REGARDING PUDDINGS

NB: Our puddings are made by small, independent, local businesses. As the flavours change seasonally, their allergens may also change. Please ask a member of the team to supply you with an up-to-date allergens list for all of our puddings.

A discretionary 12.5% service charge has been added to your bill. 100% of tips go to our front of house & kitchen team. Thank you
